

"Beck's" Amen Corner

BY "BECK"

CONGRATULATIONS are due the Wisconsin state boxing commission for preventing the Wolgast-Nelson "fight." The old hasbeens should be compelled to retire.

EL PASO is going to have plenty of baseball this summer. With "steer boys" teams, the professionals, an Army league, the Commercial league and the Laundry league, local diamonds will be kept busy. The latter league should have clean ball anyway.

ABSENCE of Race and Guyler is going to be a handicap to the El Paso senior team in the Y. M. C. A. international hexathlon, but if some of the youngsters do as well in the trials, there is a fine chance that the junior championship will come to El Paso.

BILL MALARKEY makes his living as a baseball pitcher but that doesn't keep him from getting automobile dealers excited. Bill is some motorist and when he decided to drive his touring car from Los Angeles to Wichita, where he will work this season, he looked upon the jaunt as part of a pleasure trip. The automobile men, however, are considerably surprised to find a baseball pitcher starring as a long-distance motorist.

WILSON, one of the star pitchers of the Army league last season, will be with the El Paso professionals this year. His signed contract has been received by manager John J. McCloskey. Kitty Knight will be another of the local pitchers, while Maresch, the husky youngster who set a strikeout record in army baseball last year, is also likely to get a trial. Billy Meason has applied for a tryout at third base and will get it. Pete Leyva and Medina are also prospects. Of the veterans, McCloskey is after Jack Bliss for catcher, with possibly Harry Thompson in the outfield.

THE EL PASO LADY

Who discarded her crutches after using one bottle of Vitlox, will confer a favor by leaving her address and phone number at the Vitlox Booth, at The Herald's Cooking School, for the benefit of persons who may wish to ask her about the merits of the remedy.

READ, IT, THEN TELL IT.

I am an accountant, office 319 First National Bank Building, El Paso. The people ought to know the facts concerning my case. About 5 months ago my health declined rapidly until I became an invalid in the full sense of the term. My nerves were shattered, my digestion was so weakened that I could take little food and that without apparent benefit, while my weight was reduced 30 pounds. An examination of my blood showed a marked lack of red corpuscles. I was advised to try Vitlox. I am now using the fifth bottle. My recovery has been rapid and remarkable for a man of my age. I have regained my weight and my system is in good condition. Vitlox is certainly the greatest remedy ever discovered, to cleanse and enrich the blood, eliminate poison from the system and restore the digestive organs to health. I will be glad to go more into details with any one who may wish to call me up. Phone 534.

CHAS. L. MARSHALL.

After listening to Mrs. Evans' interesting lecture, stop at the Vitlox Booth for a sample dose, or for information about this remarkable medicine. You can get this at Kelly-Pollard's or any other drug store.

People living out of El Paso can have it sent prepaid, \$1.99 per bottle or 5 bottles for \$10.00, by writing The Vitlox Co., or have your druggist order for you if he should happen to be out.

Need a Laxative?

Don't take a violent purgative. Right the sluggish condition with the safe, vegetable remedy which has held public confidence for over sixty years.

TENNEY RETURNS TO THE DIAMOND

FRED TENNEY.

Fred Tenney is coming back to baseball. Fred will manage the Newark club of the International league this

year. He is also part owner of the club, having purchased it jointly with Jim Price for \$25,000.

Tenney was one of the greatest first basemen the game ever knew. He played in the National league for 15 years. For seven seasons he batted over .300. In 1894 with Boston he hit .387. Fred went to the Giants late in 1897. McGraw traded Dan McGinn, Gilbert Bowerman and others for Tenney and Bridwell. He was the regular first sacker in 1910 when the Giants lost the National league pennant through Fred Merkle's historic bone.

Merkle was Tenney's understudy then. He just got in the game that day in time to blow the pennant.

In 1911 Merkle succeeded Tenney at the initial sack. That was the year McGraw's rejuvenated club won the flag. Tenney went back to Boston, where he played a season or two. Then he managed in the New England league and devoted the rest of his time to the shoe business.

RALPH BEATS MATURO
Chicago, Ill., Feb. 29.—I. Ralph, of Hightown, N. J., defeated James Maturo, of Denver, 100 to 29 in the opening game of Monday's round in the national billiard tournament. Maturo appeared nervous and missed several easy shots, while Ralph ran out in 17 innings with a high run of 21.

FIRE ON OVERLAND.
A fire broke out on West Overland street called the central department to 315 Overland street. There was no damage to the property.

He it ever so humble there's no place like home comfortably warmed with coal from R. C. Semple, successor to Southwestern Fuel Co. Phone 531.—Adv.

JOHNS WINS IN MOTORCYCLE RACE

Phoenix, Ariz., Feb. 24.—Don Johns, the crack motorcycle rider of Los Angeles, who has so often starred on the Arizona fair grounds track, carried off most of the honors at the February race meet held under the auspices of the Phoenix lodge of Moose.

Mounted on his eight-valve machine Johns easily won the 25-mile race in 28:47.1-5. Lorenzo Boido, of Phoenix, and Morty Graves, of Los Angeles, finished second and third. Graves threw a fire on the back stretch, while Boido broke a chain and a gas line.

Johns also won the ten mile race in 8:15.1-5, with Boido in second place. Graves went out with a broken piston in the first mile. Harry Crandall, a local Harley-Davidson rider, had carburetor trouble.

One of the most exciting races of the day was the five mile championship event. Johns beat out Graves by a hair, winning the race in 4:04.2-5, a little more than 48 seconds to the mile.

Johns won the mile time trial in 47.2-5 seconds, while 51.1-5 was the best Boido could do and no other rider started.

Boido won the 15 mile race for Arizona riders in 12:37, beating the Harleys of Crandall and Ellie Wilson, who came in second and third.

MR. AND MRS. MOELLER HAVE SILVER WEDDING.

Mr. and Mrs. William Moeller celebrated their silver wedding anniversary Monday, having been married in a little church on Texas street on February 28, 1881. Mr. Moeller had been a resident of El Paso for three years prior to their marriage, having come here in 1888.

Because of the absence of all but two of their sons, Mr. and Mrs. Moeller celebrated the anniversary quietly at their home at 1212 Montana street.

Try this new method once—you will never go back to the old system again—besides it costs 1-4 less.

In all the large cities this system controls 10 percent of the dental business in spite of the fact that it is only 6 years old. Many old practitioners will tell you they use this system. If they do they came from college in the last few years—but they don't.

We are the only New System Dentists in El Paso today, Dec. 16, 1915. We have been in El Paso just one year and do probably more than half of the total dental business of the whole city.
